URGENT: Red Cross Volunteers Needed

Houston, TEXAS

Greetings:

As many of you are aware, our brothers & sisters are experiencing severe weather in the HOUSTON area. We currently have a national agreement between Lott Carey, NBCA, and the American Red Cross.

The American Red Cross is providing shelter, meals, relief supplies and comfort to residents of the greater Houston area impacted by this week's devastating flooding in the region. It is anticipated that additional families may be affected by flooding over the next several days.

Through this announcement we are asking for help in identifying volunteers in the HOUSTON area; to sign-up and get deployed. If you are able to volunteer or know of someone who is willing to assist in that area, please click on the Red Cross Volunteer link below.

Once this is done, the Volunteer Connection application should be completed. Based on their availability and need, they will be contacted. We must keep track of all our volunteers signing up, so as soon as you have successfully signed up, please call or send an email to: Sis. Alcena Mouton at doxpen@yahoo.com or 832-712-6656.

Please let us remain prayerful for our brothers and sisters in Texas. We will stay informed of needs on the ground through our Lott Carey/NBCA Disaster Operations Contact and President, NBCA Home Mission Board - Texas, Rev. Dr. Ronald Smith.

Sure of Eternal Life
